## Great Sale of

Morus Multicaulis Trees.—Grown in Mississippi, warranted genuine, and infinitely superior to those raised at the North by forcing, which exposes the buyer here to delays, dangers and injuries, which often occasion great loss.

Sale on Election day, November 4th, at the Court House in Holly Springs, on terms to suit the buyers. As from the silk alone \$300 to \$500 clear per acre may be made the first year, as easy as to grow corn, without neglect of the crops, besides raising the trees, for which there must be sold for years, it being stated by Judge Comstock on careful inquiry that there are not trees enough in the United States to supply the small state of Connecticut.

Private purchases may be made of the subscriber by addressing him a line at Holly Springs, or calling at his store, corner Memphis and LaGrange street, N. S. On the day of sale the subscriber will be prepared with an address containing some facts respecting the profits of the silk culture which he hopes will open the eyes of North Mississippi to the riches her soil contains.
